“Loading” the Basket

As an alternative to printing a document (or page) at a time, documents may be stacked into a basket for later downloading.

- To add the selected document to your basket, click on the Add to Basket link:

The Add to Basket link can be found on both the Details and the Images tab

PLEASE NOTE:

- You must allow pop-ups from this site in order to download documents
- All documents are compressed or 'zipped' into a file prior to downloading for optimum transfer time. Please make sure you have a decompression program on your workstation
- Adobe Reader is required to view/print all downloaded documents. Please go to <http://get.adobe.com/reader/> to make sure have the latest version installed

Navigating the Basket

Once all desired documents have been added, click on the Basket link found on the site's menu:

Your Basket window will display allowing you to preview the contents added:

Refresh Delete Selected Clear Basket Download All ✕									
Delete	Doc. #	File Date	Type Desc.	# of Pgs.	Book	Page	Img.	Cert.	Encumbr.
<input type="checkbox"/>	43239	8/25/2009 12:00:00 AM	MORTGAGE	16	23323	56			
<input type="checkbox"/>	43246	8/25/2009 12:00:00 AM	DEED	2	23323	83			
<input type="checkbox"/>	254664	8/25/2009 12:00:00 AM	MORTGAGE	17	00198	139			

- Image icons will display appropriately depending upon what type images are available for the chosen document. For example when adding Registered Land document # 254664 to the basket, the site has also “stacked” the available Certificate Image(s) and Encumbrance Sheet(s)
- To remove a document (or documents) from your basket, click on the checkbox to the left of the desired row:

Delete	Doc. #	File Date	Type Desc.	# of Pgs.	Book	Page	Img.	Cert.	Encumbr.
<input type="checkbox"/>	43239	8/25/2009 12:00:00 AM	MORTGAGE	16	23323	56
